Application: Sales Representative

Dear Hiring Team,

I am writing to apply for the Sales Representative position at Sachsen Fahnen GmbH. Your company's international orientation and product range in promotional textiles and flags make this an exciting opportunity, and I am confident that my background in sales and client relations is a strong match for what you are looking for.

In my current role as Outsource Specialist in the International Outsource Department at Uztelecom, I am responsible for selling IT and Call Center outsourcing services to corporate clients. This involves identifying prospects, presenting service offerings, negotiating terms, and maintaining long-term client relationships — all conducted in English. Prior to this, I worked as a Client Relations Specialist, where I managed communication with international partners and ensured smooth service delivery across multiple accounts.

I am fluent in English (C1) and have solid experience working in an international, English-speaking business environment. I am a motivated self-starter, comfortable with targets, and experienced in building trust with clients over time.

I would welcome the opportunity to bring my sales and client management experience to Sachsen Fahnen GmbH. Please find my CV attached. I am available for an interview at your convenience and look forward to hearing from you.

Yours sincerely,

Amalbek Bekpulatov
