Application for the position of Sales Representative – English Language Focus (m/f/d)

Dear HR Team,

I am writing to apply for the position of Sales Representative with a focus on English at Sachsen Fahnen GmbH & Co. KG / Vispronet®. As an International Business graduate with a dual award from IMC University of Applied Sciences Krems (Austria) and Tashkent State University of Economics, and with hands-on experience in multilingual client relations and customer service, I am confident I can bring immediate value to your sales team.

Customer service is genuinely my passion. In my current role as **Client Relations Specialist in the International Outsource Department at Uztelecom**, I serve as the primary contact for foreign partners, handling inquiries, coordinating cross-departmental workflows, and maintaining professional written correspondence — all in English and Russian on a daily basis. Prior to this, I worked as a **Call Centre Agent at Beeline Uzbekistan**, where I processed a high volume of customer calls, resolved billing queries, handled service activations and payments, and consistently met all KPIs for response time and quality. This experience has given me a strong foundation in telephone-based customer engagement — exactly the kind of role you describe for Vispronet® support.

I speak **English at C1 level** and communicate fluently in Russian and Uzbek as well, which I believe gives me a competitive edge in serving your international client base. During my **DAAD-funded exchange semester** at Hochschule Stralsund, Germany, I developed a strong understanding of European business culture and practised professional communication in a German-speaking environment. I am also proficient in MS Office and comfortable adapting quickly to new digital systems.

I am enthusiastic about joining a family-run company with over 35 years of success and a clear commitment to quality and innovation. I would be delighted to contribute to your team and grow with Sachsen Fahnen.

I would welcome the opportunity to speak with you. Please find my CV attached. I am available for an interview at your convenience — in person in Kamenz or via video call.

Yours sincerely,

Amalbek Bekpulatov
